## Air and Aerodynamics

List everything you think you know about air:

---

---

---

---

Predict how you would aim the hairdryer. What do you think will happen?

---

---

---

---

Draw the experiment set-up:

BEFORE	PREDICTION	WHAT HAPPENED

What actually happened?

---

---

---

---

---

Why do you think it happened?

---

---

---

---

---

Predict again. What do you think will happen when you aim between the balloons?

---

---

---

---

---

Draw the experiment set-up:

BEFORE	PREDICTION	WHAT HAPPENED

What actually happened?

---

---

---

---

---

Why do you think it happened?

---

---

---

---

---
